

TITLE:

Control of Nonconforming Material

WARNING

This document is the property of United Technologies Corporation (UTC). You may not possess, use, copy or disclose this document or any information in it, for any purpose, including without limitation to design, manufacture, or repair parts, or obtain FAA or other government approval to do so, without UTC's express written permission. Neither receipt nor possession of this document alone, from any source, constitutes such permission. Possession, use, copying or disclosure by anyone without UTC's express written permission is not authorized and may result in criminal and/or civil liability.

This specification is hereby cancelled. Please remove from the active section of your manual. UTC member contract / purchase order flowdown shall provide the method by which a supplier requests the disposition of non-conforming material prior to delivery.
